

## Installation Policy for Customer Supplied Parts

We have been contracted to provide installation services for a customer supplied part.

We are NOT being contracted to provide any parts or to provide diagnostic services on this appliance and so the customer agrees to the following stipulations:

- We are not providing any parts for your appliance.
- We are NOT providing diagnostic or repair services for your appliance.
- We are only responsible for installing the part into your appliance.
- We do not guarantee that the part we install will correct any condition currently present in your appliance.
- We are not responsible for any condition that arises from the installation of part.
- We do not guarantee that the part will function in your appliance.
- We do not guarantee that the part will remain functional for any specified period of time.

The quoted estimate for the installation of this customer's part is: \_\_\_\_\_

There are no discounts or coupons that can be applied for customer supplied part installations.
